Co-funded by the
Erasmus+ Programme
of the European Union

What is ITHEN?

AIM AND OBJECTIVES:

The main aim of I-THEN is to establish a strategic and structured cooperation between European and non-European Universities and TVETs that deliver technical higher education creating a network for the development of joint international courses in the business management and marketing fields.

- Overcome the skill gap encountered by students wishing to work in international business environments
- Upskill teachers
- Establish a synergy between Universities and TVETs
- Connect technical higher education with the market

ITHEN's target groups

The ITHEN project offers you different opportunities depending on whether you are a teacher, a student or an entrepreneur.

Discover the benefits that you can get by joining the network.

Students

High-school graduates from all over the world who are wishing to undertake an international technical higher education path in their country or abroad.

Companies

ITHEN is open to include all kinds of companies in its network, as long as they have a strong interest in developing or improving their international dimension.

Training centers

Technical Vocational Education and Training (TVET) institutions, providing students with technical higher education at an EQF5 level, and Universities all over the world.

Our main results

ITHEN SET OF METHODOLOGIES AND GUIDELINES

Set of guidelines with the most innovative methodologies and with standards and instructions to be used by teachers when delivering the joint international courses carried out by the ITHEN Network in the fields of marketing and business management.

AGREEMENT FOR THE DEVELOPMENT OF THE ITHEN NETWORK

Thanks to the creation of a worldwide network of TVETs and Universities, students registered to one of I-THEN's 2-year EQF5 joint international courses will be able to obtain a university degree EQF6 or EQF7 by attending 1 or 3 more years in one of the partner universities all over the world.

"ITHEN is the result of the cooperation between 8 Universities, Tertiary VET Institutes, SMEs and non profit organizations from Italy, Spain, Portugal, Slovenia, Turkey, and Germany"
